SHORTHORNS

WINTER FAIR BUILDING

Guelph, Ontario

1.00 p.m., THURSDAY, FEBRUARY 6th, 1947

FORWARD

The Royal Shorthorn Club presents its first Annual Consignment of Scotch Shorthorns, with confidence and with justifiable pride. From the first to the last entry each has been carefully chosen to represent the best possible in individuality, colours and popular bloodlines; all of which combine to give the best assurance that the cattle will prove profitable to the purchasers. They rank with the best and the entire sale offering will make a contribution to Shorthorn advancement wherever the individual purchases may go. The novice can buy here with the same assurance as the breeder of experience and ripened judgment.

It is expected that many breeders will attend the Toronto February Sale at the Colliseum Building, Exhibition Grounds, Toronto, Ont., on February 5th, 1947. Guelph is only a short distance of fifty-five miles from Toronto. The Royal Shorthorn Club Sale cattle will be stabled and sold in the Winter Fair Building, Guelph, Ont.; all cattle will be stabled on February 5th, and sold on the afternoon of February 6th, thus ample opportunity will be given to inspect the animals prior to the sale. You are recommended to attend these two great sales.

We offer assurance that we shall treat the purchasers and patrons of this sale as we should wish to be treated if we were the buyers.

Sale Headquarters will be at the Royal Hotel, Guelph.

We extend a cordial invitation to all lovers of good Scotch Shorthorns to be with us. Kindly bring this catalogue with you.

C. M. BLYTH,

President, Royal Shorthorn Club.

R. T. AMOS,

(Club Secretary).

WM. H. BLACK,

(Sale Manager).

1. All bulls guaranteed breeders.' A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

2. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot. Heifers shall not be served for first calf by heavy or old bull.' Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

3. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute maintenance shall be made by either buyer or seller.
